Dear Ms D'Andrea:

Please be advised that I am requesting and have requested that the Department of Correction, S.C.I Smithfield provide me with any and all, maintenance reports of cells in R4U, and any damage to plug sockets in R4U H Block. The Department of Correction Policy is which the power in all R4U cells were terminated.

Since Mr Salaber claims I must afford him a chance to provide ~~to~~ me with such please delay filing my motion to compel for 30 days

Sincerely

Kim Smith
